JEANETTE BLAINE BEAUDRY

Dear Jeanette,

It would be mighty hard to reenact all of the things that we've done in the past 2 years! What haven't we gotten into? Do you remember all of these things?

- 1- Running up and down the football field in 20° weather,
- 2- singing at the Methodist Conference (I've never sung so badly in all my life),
- 3- skipping school to eat at Hardee's (just how many times did we leave?),
- 4- cussing out Max Haid!?!?
- 5- cussing out Mr. Sowers!! ———
- 6- climbing on the roof just for the heck of it.

How did that lie go to get into 3rd period chemistry? (even if it turned out to be true) I'm sure Sir Hooker has enjoyed every minute of it. I know Ray has - especially with the spitball I stuck onto the back of his ear. Did we or did we not have a cute Chemistry teacher. I'll never forget her (I wish I could!)

I'm going to miss your silly antics. How am I ever going to get through my senior year without you? You're the best damn photographer the WAO staff has ever seen - you and that stupid stole.

I can truly say I enjoyed taking you to the prom - and going with you to the all-night party. Janette, my year has been so complete just having you as a friend. I know I'll be making many trips to UNC-G just to see you. That is, if my Falcon makes it! You've almost convinced me to come there next year. Even if it's just to hear your chicken call once more. I can't live without it.

You've certainly become my best friend and I know it'll be hard seeing you graduate. Best of luck in whatever you do whether it be teaching, greenhousing?, or chicken-calling. I know you're the best friend I've ever had. Save me a room at UNC-G - I've just convinced myself that I can't do without your friendship. God bless you.

Love always,

This year has been a blast. Behigas is a far  
 out person I think we made her that way.  
 You're a great person. I don't know you too well  
 but I know you will go far in life and accomplish  
 all your goals. Good luck in the future and  
 don't forget to come back to GHS and see if  
 we seniors next year are doing as good of a  
 job as the seniors did this year. Please  
 Be with you.

Pamela Hamford

Yesterday a child came out to wander,  
Caught a dragonfly inside a jar.  
Fearful when the sky was full of thunder,  
And tearful at the falling of a star.

And the seasons, they go round and round  
And the painted ponies go up and down.  
We're captive on the carousel of time.  
We can't return, we can only look behind  
from where we came  
And go round and round and round in the  
circle game.

Then the child moved ten times round seasons,  
Skated over ten clear frozen streams.  
Words like, when you're older, must appease him.  
And promises of someday make his dreams.

Sixteen springs and sixteen summers gone now,  
Cartwheels turn to carwheels thru the town.  
And they tell him, take your time, it won't be  
long now,  
Till you drag your feet to slow the circles down.

So the years spin by and now the boy is twenty,  
Though his dreams have lost some grandeur  
coming true,  
There'll be new dreams, maybe better dreams  
and plenty  
Before the last revolving year is through.

The Circle Game has deeply touched the 1971 faculty at G.H.S. There have been changes in administration and teachers. They all take part in a never-ending cycle of a student growing up. May we thank all the administration and faculty for helping us through another revolving year of our life.

The season is the end of the summer.  
The school year begins with a restless  
spirit of anticipation. As the fall arrives,  
so does the start of the events for the  
school year. On a crisp autumn night,  
a Homecoming Queen is crowned.  
On a soft spring  
night, elegance enhances the Junior-

# Homecoming 1970: Victory!

Homecoming at GHS opened with a parade on Friday afternoon October 9. The parade featured the GHS marching band, club sponsors, floats, and the homecoming court.

The next stage in the homecoming events was the exciting football game with Bartlett-Yancey. During half-time activities, sponsors and attendants were introduced. The 1970 homecoming queen, Miss Jenny Holt, was crowned by the vice-president of the student council, Jerry Evans.

Highlighting homecoming was the victory of the mighty devils over Bartlett-Yancey, 14-6.

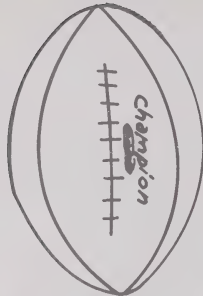

A dance featuring the "Staten Island Ferry" concluded the homecoming festivities.

# Clean-up Day: 1970

This is WORK!?!

No, Sylvia, you can't rake here!

On December 6, 1970, a small number of interested students and teachers came to the G.H.S. campus with rakes, brooms, and good intentions. Their mission: to clean the leaf-covered school grounds. The mission was successful.

Now Rickie, are you gonna lift that bag all by yourself?

Our award-winning raker Mrs. Lane.

Just twenty more piles and we'll be through!

# Brenda Smith Crowned Miss G.H.S. for 1970

On the night of November 14, 1970, the National Honor Society and the Key Club presented the 1970 Miss Graham High School Pageant. Debbie Best and Keith Denny were mistress and master of ceremonies. Twelve girls competed for the title. The girls first appeared in street clothes. Next, they performed their individual talents. After the intermission, the girls modeled their evening gowns. We were then entertained by the fabulous singing of Steve

Fonville. We were then honored by the very graceful David Hudgins and the golden throated Worth McPherson along with the lovely Dennis Page. The judges then returned with the long awaited final decision. Brenda Smith was crowned Miss GHS with Tommie Anne Moore and Kitty Moore as first and second runners-up respectively. Bonita Basnight was named most talented non-finalist along with special recognition for Penny Norman.

## And the Seasons

Sandals, short sleeves, and laughter fill the warm air.

A faint breeze blows in a new school year.

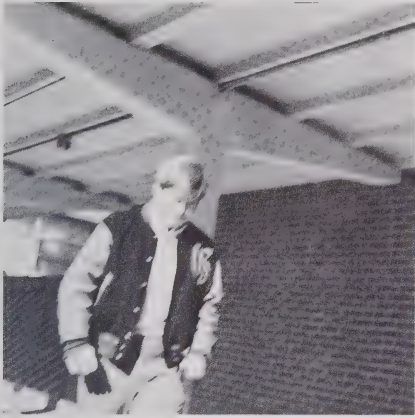

You, the person, are ready to take on the whole world.

The air is getting colder and you, the person, become immune to those unanswerable questions that you can't get bogged down in.

# Go Round And Round

The cold air now moves on.  
With it goes the frustrations of the biting cold.  
Warm air now surrounds you, the person,  
with fresh enthusiasm of understanding,  
involvement, and joy.

For the second consecutive year, the American Field Service has sponsored an exchange student here at Graham. We have been fortunate to have Lisette Castro, a native of Guatemala, here at Graham High School this year. Her presence has been rewarding for all of us who have known her, and we hope that she will remember with fondness her participation in the 1970-71 G.H.S. circle game.

Don't you want your picture taken Mrs. Honeycutt?

We can't return  
We can only look behind from where we came  
And go round and round and round  
In the circle game . . .

The sports program continues as the  
seasons go round. After one sport  
comes another in a never-ending cycle.  
Even though we have defeats in our  
athletic program, we have not abandoned  
that program. Although the game is lost,  
the rule of the circle game is that  
nothing can be relived; we must think  
of the next game and dream of victory.  
So our sports program spirals, changing  
with the seasons into an always  
widening whirlpool. And in this whirlpool  
of sports, we try to create a whirlpool  
of Graham High School Spirit.

And this spirit is stirred round  
and round and round  
in the circle game.

# Team Shows Improvement

Reidsville . . . . . August 28

The 1970 football season got underway with a loss to heavily favored Reidsville by a score of 40 to 8. Troy Fuller, Kenneth Dark, and Travers Webb were outstanding in the game.

Southern Durham . . . . . September 4

Led by a stingy pass defense, Kenneth Dark and Jackie Jefferies were able to intercept two passes, one for a touchdown and one for another score which tied the game. Larry Boggs scored the two point conversion giving Graham the tie of 14 to 14.

Southern Alamance . . . . . September 18

With the loss of key starters, the "Red Devils" were not able to contend with the Southern team. The final was 36 to 0 with Graham as the underdog.

Western Alamance . . . . . September 25

After a tough loss to Southern, the "Devils" came back to defeat the league leaders by a score of 14 to 0. Led by Larry Boggs, John Thompson, J. W. Robinson, Troy Fuller, and other outstanding defensive players, The "Devils" kept the powerful Warriors at bay.

Southeast Guilford . . . . . October 2

The Falcons of Southeast were able to contain the running attack of the "Devils". They went on to win 18 to 0.

Barlett-Yancey . . . . . October 9

The "Red Devils" won their second game of the season by a score of 14 to 6. Both offense and defense played well in obtaining the victory.

Ragsdale . . . . .October 16

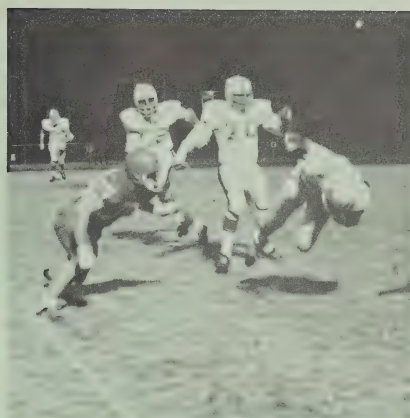

After a win over B-Y, the "Devils" were defeated by Ragsdale, 12 to 0. The Tigers scored two field goals and one TD in taking the win. All Graham players displayed a great deal of spirit and courage in the loss.

Northeast Guilford . . . . .October 23

Again the "Devils" came close but did not have the necessary punch to win. Northwest 13; Graham 6. Kenneth Dark intercepted a pass and ran it for the score.

Eastern Alamance . . . . .October 30

For 3 quarters and 16 minutes of the fourth, the "Devils" played the Eagles to a standstill and led 6 to 0. The Eagles came back to take the win, 12 to 6. Larry Boggs, Mike Rogers, Worth McPherson, John Thompson, and others were outstanding.

Northwest Guilford . . . . .November 6

The "Red Devils" finished the 1970 football season on a winning note. The 16 seniors, playing their final game at Graham, were instrumental in the 16 to 7 win over Northwest.

#### Football Comments

The 1970 season of 3 wins, 6 losses, and 1 tie was disappointing to the players, coaches, and fans. Every player in the squad gave everything that he possibly could to attain victory. The many seniors will be missed but we must continue to work and work hard to be successful and to make Graham the number 1 team.

# Herbie Captures All-Conference Title

The 1970-1971 wrestling team finished out a disappointing season with a record of 1 win, 8 losses, and 1 tie. The most outstanding teammate was Herbie Johnson. In ten matches, Herbie won 9 and lost 1. Herbie was classified in the heavyweight class. Other outstanding people were Danny Smith who came in 4th place in the all conference match, Jeff Horner who came in 2nd place in the 101 weight class, and Johnny Crotts who came in 2nd place in the 170 weight class. These boys carry good records to the state matches. The team is coached by Coach Helms.

## Basketball

In Varsity Basketball, the Graham High Red Devils came out in second place in the Mid-State 3-A standings. Up until this time, Graham led the conference as the number one team.

During the last half of the season Graham seemed to lose some of the pep that had led them to overthrow all of her earlier opponents. When Christmas vacation rolled around, Graham was still hot, but then in its two Holiday games, Graham had ice water dumped on them. They were two non-conference games but against Williams, Graham lost by a score of 88-59. In the second game against Cummings, Graham lost by a score of 96-79.

For the last half of the season, Graham did fairly well but dropped games to Southern by 69-66, to Eastern by 52-46, to Cummings by 82-55, to Western by 70-59, and the last seasonal game to Northeast by a score of 67-54.

In the last game of the season against Northeast, both teams were fighting for the title of co-champions which would be shared with Western and Northeast came out on top.

Graham ended the season with an 11-5 conference record and an overall record of 12-8. The three top scorers of Graham were William Norman, who led the scoring in the conference standings with an average of 18.9. Next came Billy Smith with an average of 14.6 and Curtis Rich with an average of 8.8.

## Junior Varsity

The Graham High Junior Varsity had a terrific season this year with a 10-6 conference record and an 11-7 overall record. Leading the J.V.'s were Boyd Pearson with 13.1, Gary Jeffries with a 12.7 average, and Edward Patten with 10.1.

## Girl's Varsity

The girls have had the best of luck in their first year of play with a conference record of 9-0 and an overall record of 9-0. The top scorer for the girls was Sherri Pickard with a 16.0 average. Next was Jane Albright with an 8.3 average.

Cartwheels lost to carwheels

When we come to Graham High School, our interests in life are just beginning to develop from those of a child to those of an adult. Here, our service clubs and other organizations help us widen our circle of interests, activities, and friends. As the high school years go by, our own circles widen to include more friends in an ever changing and broadening pattern. We become better individuals from our acquaintance with the lives and interests of others, and this brief acquaintance will help us as we prepare for the future. No matter how many years go by or how many times our interests change, we can look back and reflect on the 1970-71 year when we were all part of the Graham High School circle.

As cartwheels were lost to carwheels, our interests here will soon be lost to others.  
So let us look back at our 1970-1971 circle of interests at Graham High School.

Randy

Yesterday a child  
Came out to wander . . .  
Promises of someday  
Make his dreams.

When we all first come to Graham High School, we are like children wandering into a new world. We all have our own feelings and aspiration about our high school career. As Freshmen, we become initiated to high school. After a year of experience, we are more confident. As juniors, we have status: we are able to plan and attend the prom, and we receive our long-awaited class ring. In our senior year, our class is now on top. Our dreams are now reality. In our years at Graham High School, we have learned much — academically, socially, and personally.

It is now time to dream new dreams  
for the years ahead.

Jeannette, <sup>so sorry I messed up!</sup>  
This has been a great yr. for me ~~and~~ I'm glad you have been a part of it. We have had a lot of great times. Remember that night over at Max Ward's when he bought our supper at 10:00 and my car wouldn't start when we got ready to leave? Sweet! And how about the party at Mrs. Ballard's house and what was supposed to be such a surprise! Did we have a discussion on the way home about certain things. Oh well all that is in the past and I have the future to look forward to and I hope next year will be as great for you as I plan to make it for myself!

We are gonna have one "H" of an annual next year! I'm gonna see to that personally! Maybe we won't have too many extra problems. If Souvers is still here I'm liable to get the foot in mouth award for '72! Oh well! Be good to UNC-G and take it easy! Stay Sweet!

# ADS

the 1971 wag  
begins at this  
point. the advertisements  
are the most important part of the  
annual. the ads make the rest of  
the annual possible. the generous  
merchants and other organizations  
have been good enough to buy ads in  
the wag so please repay them by patronizing  
the firms whose names you will see  
on the following pages.

Pride in product and Company on the part of management and employees working together in a sense of friendly cooperation, combined with the interest and support of the people in the community has been the key to our growth. Today we make hosiery and related products for men, women, and children under world famous brand names. Our plants are located in the cities shown on the map. To the students, faculty, and administration of GHS;

As the end of the school year draws near, the theme of the '71 WAG takes on an even greater meaning of importance. It shows us all that even though we have had diverse emotions of this past year, along with our own trials and tribulations, we also have those people who were very close to us all during the year to always remember.

I cannot look back over this past year without feeling a great sense of appreciation for our sponsors, Mrs. Ballard and Mr. Krovetz. All the help and support that they gave the WAG staff throughout this past year will not be forgotten. I also cannot help but remember the help the staff received from Mrs. Stephens, Mr. Janke, and Mr. Littlefield in developing fabulous pictures for our yearbook. I wish to thank Max Ward and Jeff Overby, our Delmar Representatives, for their services and patience over the past year. I cannot help but look back on the 1971 WAG staff. I would like to thank all those members who showed great interest, devotion, and especially work on this year's WAG.

I now place the responsibility of the '72 WAG on the shoulders of next year's editor and staff with the hope that they will set high goals and continue on what we have hopefully accomplished.

Most of all, I hope that you, the students, faculty, and administration will find on each and every page of the 1971 WAG meaningful moments of this past year. To all of you, I proudly present the 1971 WAG.

Sincerely,

*Laurie Noto*

Jeanette,

I'm enjoyed being in homeroom and English with you this year. It's really hard to believe that this is our last year at GHS, but I can't say that I really regret it. We have fun along with all the work.

The best of luck always to a real sweet girl. Hope to see you next year and this summer.

Jeanette,

I really don't know where to start. This year, just knowing you has been a rare experience. We have had good times this year (in the library). I'll never forget the time Sherry and I locked you up in the closet and you were late for class. I've only known you one year, but it seems like I've known you all my life. You have been one of the best friend anyone could have. You are outgoing in everything you do, and nothing ever seems to get you down. I only wish I had known you sooner, ~~and~~ could have filled three pages, instead of two. Remember the P.J. Party at Sharon's? I know you'll never forget Tib singing all night, and the pillow fight which I was defeated. Well getting to the future, I hope you have a great time next year in college.

where ever you go, and I hope we can keep in touch. Wish me luck next year with Lib, I'll need all the luck in the world to make it through the nights without Lib singing to us. Every now and then send me a "Chicken Call" and charge it to me. I hope you will never forget me, and I know I'll never forget you. Everytime I see a chicken I'll remember the good memories. Maybe we can get together next summer after we return from college and have a "reunion". Honestly I wish you all the luck in the future and I hope you find a guy at college and settle down. With your personality and brains I know you will find a way to catch one.

Jeanette,

It's been a pleasure meeting you for the first time this year. We've had good times in journalism and other times of the day. Hope you have a nice summer. Peace be with you. Good luck in the future. (College - never)

Jeanette,

Jeannette,

I hardly know where to begin - we've had such a good 2 years together. I'll never forget the beach trip, the times I've rode with you (boy, will I never forget them!) plus FTA meetings, + you doing "Super Chicken" at 9:00 in front of my house! And the time you tried on my blonde wig + the trouble we had with "Spoon River Anthology." You've been a true friend this year + I'll never forget how much your friendship has meant to me. And I admire you for your accomplishments here at GH5. You came here from Southern, met really knowing more than a few people, + look at you now. You've got scads of friends (+ a few enemies {<sup>Pam</sup> enemy} on the side!) Ha! Ha! No, seriously, you've been head photographed + you've really done more than your share of work this year! Congratulations on getting in NH5 - you deserve it if anyone does. Lots of love + luck in the years to come. And I do hope your love life gets straightened out - you're too young for a broken heart - La! - just kidding! I hope you have a great

years ahead of you at college. When you're a horticulture expert + have your own greenhouse - I'll be expecting some free service on daisies, etc.! Be good + don't forget me. If you do, certain headlines in the women's section of the newspaper in a couple of years will remind you of me! (Hope Steve doesn't see this!) Seriously, you'd better write me from college + let me know if you've met another 'Ray Allen', though I doubt there's too many of his type around! Have a good summer. Good luck to all your endeavours in life. You've got the personality + the brains to achieve exactly what you want!

Love,

Sherry Swiney  
(5'11, 10'11)

P.S. If horticulture don't work out + you need a job, have you thought of chicken-calling?

Jeanette,

Well, I hope I will see you after you graduate. Please write me and give me your address after you get to college and then I'll have something to do. I really had a great time at the Prom, didn't you. You sure can dance very well. I have really enjoyed your friendship and help you've ~~given~~ given me in the Spanish class. I hope you enjoy your college life and maybe sometime I will be able to come and visit you sometime. Just keep your great personality and you know you will. Always make new friends. Just think, I will be playing Pomp and Circumstance just for you on graduation night. Thanks so much for your great friendship during your year at G.H.S. Good Luck and May God stay with you always.

Love always  
David Ludd

Jeanette,

It's been fun knowing you these past two years. Too bad I wasn't in any of your classes this year. You are a very nice person and I hope you have lots of luck in the future. Always a friend,

P.S. Remember last year!

Jeanette,

Well, it's your last yr. at G.H.S. and we've had some fun haven't we? Chemistry with Mrs. Hall (Is she sweet). Ray driving us up a wall! Is he crazy? Our good grades (wonder why?) Then in study hall - was it semi-wild. It has to be the RUN-A-MUCK class of G.H.S. I'm going to miss seeing you next year. Good luck at college, I know you'll do well in all you do.

Best Wishes,

It'd been a long hard road to travel, but we made it. In about 200s we'll be going our separate ways. Good luck in the future and at college. Just remember to stay sweet and keep that great personality. Don't let me see you next year. Keep in touch and remember to be there for my wedding. Best wishes,

Jeanette,

I know you for a long time and during that time we've been through a lot. A lot of what I won't say, but still a lot. Changing back and forth from Southern to Graham and back again was a mess but still we managed to have a good time. Between that and our trouble at school we've had a lot of distractions, but you've kept up the school work and now we're all graduating. It don't seem like 12 years have passed but I guess they have. When you get out take it easy & do good. Good luck this summer and from now on out.

Even though I haven't been in any of your classes it has been great knowing you. You a swell person. I hope to keep on knowing you. You did a good job on the annual. You could have done with out that wrestling picture. We'll keep the Faith. And May God Be With you. Good luck in the future.

Dear Jeanette,

Poppy Coch!

I thought we'd never get around to signing each other's WAGs but I'm really glad we did. In fact I don't think this ole WAG would have been complete or nearly half as worthwhile if we didn't. I thank this WAG a whole lot for bringing us so close together. Even though there has been some differences of opinion while the work was being done we stuck together and it turned out just fine. I'm not prejudiced, no nothing like that. The main thing I have to tell you Jeanette is that you are a true friend. Honestly? When things got me down - lower than I'd ever been you helped me in a way I don't think anyone would have ever considered. Jeanette, your manner, your wit, and your firm belief have all given me strength. And on this strength I am building up and finding something in my life that has just been absent for much too long. No matter how many Sowers or Max Wards you meet you keep your cool and don't get shook. Just think for every two of those kind you meet they'll be two Jeff Luby's and that guy from Camera Canon. Somewhere out there is a great guy for you & me too I hope? If any one deserves happiness you certainly do. Whenever you look back on this WAG you can always remember that it is truly a very close part of you & me. May your years at Western Carolina be very rewarding and may your circle game be a never-ending circle of love, peace, & happiness. God Bless you?

Love Ya Always,

Laurie 171

up with you has been a pain!  
Not really. Without you our annual  
would be just as bad as last years.  
Best of luck! (you'll need it) in college!  
Your favorite dirty  
ole man  
H. J. Ford

Jeannie,  
I know I've picked at you  
a lot this year. But remember  
if someone likes you, they will  
pick and joke with you. If  
they don't, chances are they  
will say nothing at all.  
I'll miss you around  
because of your vim &  
vigor. Wish I had  
10 to take your place.  
Best of everything  
Love  
Mr. Littlefield

God bless you  
Especially if you go into  
Secondary Education -  
You'll need good luck and  
a lot of patience to  
do a little more teaching  
yourself in a new family  
B. C. Mac

Jeannette,  
Do you realize that before this year  
began I never realized there was an in-  
dividual called Jeannette ~~Scott~~ Beaudry.  
Well, I'm glad there is one, because this  
school wouldn't be the same without  
you. I've enjoyed knowing you this year  
and will miss you next year.

We've had some good times at lunch,  
and I did enjoy your lunch every day too.

And of course I enjoyed not having  
you in any of my classes this year (just  
kidding) Have fun this summer and we'll  
see you.

Mildred Thompson

P.S. That Senior play  
better be good.

Jeanette,  
 It has been  
 a pleasure knowing you  
 the past year. I'll miss  
 you, but I'll be glad to see you  
 at college. I think  
 you'll be a great success.  
 Keep smiling.  
 Sharon  
 Brodsky

Jeanette,  
 We had a great staff  
 didn't we? We had a  
 great Photographer (too  
 good to leave.) Remem-  
 ber the cute party at  
 Mrs. Ballard's. I'll  
 never forgive you and  
 Anne telling us to go  
 to Mrs. Perez's house.  
 How about them send-  
 ing back classes? How  
 many times was it?  
 Your cute little Dark  
 Room. Well How about  
 that little talk we  
 had with Rhonda?  
 (I think it will work  
 out alright) But you  
 Don't have to worry you  
 won't be here next year  
 you lucky Senior. So  
 where ever you go stay  
 as sweet and friendly  
 as you are and you  
 will have many friends.  
 Hope you have a nice  
 summer!

Jan Eulis  
 (better known as  
 Vanilla in  
 classes)

It has been nice just  
 knowing you for the last  
 year. It is a great  
 loss for you being a  
 senior. Please don't  
 change your attitude  
 you got a long way to  
 go. Keep the faith.  
 Jackie  
 Jaffris

## The Class of 1971

So the years spin by and now the boy is twenty.  
Though his dreams have lost some grandeur coming true,  
There'll be new dreams, maybe better dreams and plenty  
Before the last revolving year is through.

Jeanette,

I'm glad that I  
got to know you this  
year. We've had  
a great time in study-  
Hall. I wish you the  
very best of luck in  
the future whatever it  
may be. Hope you have  
a nice summer. Don't do  
anything I wouldn't  
do.

Friend Always,  
Cathy Peterson

Dearest Jeanette  
You do it back to  
torches to burn bright.  
It seems you hang upon  
the cheek of night like a  
rich jewel in an Ethiopian's ear,  
Beauty to rack for use, for earth  
to deem. WOW! Lots of luck.

Steve  
Smith

Jeanette,  
100% on class  
exam!
